

If you are not familiar please take a moment to check out all the Dormant Hydrangea sizes that we offer. It is truly a line that offers a plant for anyone finishing in any size. The spread sheet below shows each and every size and separates both our Standard line and HBA line of product where appropriate. These plants are used both in the florist trade as **Indoor Floral** but additionally and in even possibly larger quantities for sales in **Nursery** and **Garden Centers**.
